

New Library Meet the Contractors

REMINDER: On today! Wednesday 18th, Old Library 4 - 5pm

Mahara Place business operators are invited to meet the Naylor Love crew to discuss construction plans for the new library

You're invited to attend this pre-construction meeting to meet the building team and find out about their construction programme. It's also an opportunity to ensure they hear what's important to you about possible impacts of the work. We'll also have the latest designs on hand to share with you.

RSVP to Philippa.Ross-James@kapiticoast.govt.nz for catering purposes.

Keep up to date and find out more at: kapiticoast.govt.nz/tearawhetu

WBA Mid-Winter Meeting

Monday 14th July

Waikanae Chartered Club

We are looking forward to gathering all of our business community together for the first time in 2025.

It's fair to say that after a very busy first 2 years, we have reflected, regrouped and have some new goals that we would appreciate feedback on. A report will be sent out prior to the meeting to allow time for your thoughts and discussion on the night. Please keep an eye on your inboxes.

The team at the Chartered Club will be providing nibbles so please RSVP using the link below. Looking forward to seeing as many of you as possible.
