

You're Invited to the Waikanae Pop-Up Opening

Saturday 29th March 10am - 4pm

The Waikanae Pop-Up is coming to life! Local start-ups and small businesses are moving in, and [Kapiti Art Studio](#) creatives (below) have given the containers a colourful makeover, inspired by native flowers to match the community mural being painted at the Pop-Up this weekend.

Join us for the opening – enjoy tasty kai, entertainment, and a first look at who's setting up shop.

Get hands-on with the community mural Summer Flowers – no experience needed, just bring old clothes and your creativity!

Saturday 29 and Sunday 30 March. 10am–12pm, 1pm–4pm

With three modified containers, a food truck space (available for bookings), and a green space to relax, the Pop-Up will help create a vibrant town centre.

Pop in and say hi!
