

Join us for the upcoming Waikanae Business Association (WBA) meeting! We're excited to host a cosy mid-winter gathering where we can reconnect over local happenings and discuss our proposed WBA strategy.

As we mark our second anniversary, we're eager to channel our efforts into initiatives that will truly benefit our business community. Your insights and feedback are invaluable to us, and we can't wait to hear your thoughts.

Please forward this invite on to anyone you know who may be interested in joining us.

**Could your business use a FREE resilience training session?**  
Hosted by the KCDC Economic Development Team.

***Resilience – Helping You & Your Business Survive & Thrive***

You'll discover:

- o Keys to a resilient mindset in tough times.
- o The essentials of self-leadership and its pivotal role when navigating challenges.
- o Practical steps to ensure business resilience and the biggest mistakes to avoid.

Don't miss this amazing opportunity to learn breakthrough insights and network with other business leaders. Take the time to work ON your business not just in it and set yourself up for success over the long term!

The session will be taken by [Lauren Parsons](#), a successful business owner, speaker, author, and expert in resilience, wellbeing, and leadership. She is passionate about helping busy professionals boost energy, vitality, and performance. Lauren was named NZ Keynote Speaker of the Year 2024.
